Email (up to two) _____

Birthdays in above order (Month and Day **only**) _____

Our members participate in the various activities of our Society, become acquainted with other members and learn iris horticulture. Indeed, PAIS is successful only with the involvement of our members. Activities include our annual iris show in the spring, our rhizome sale in late summer, and, two or three times a year, we maintain iris gardens at Yavapai College, Sharlot Hall Museum, and the memorial garden to the Granite Mountain Hotshots at Embry-Riddle Aeronautical University.

If you have special skills or interests to offer, please describe: _____

We encourage members to join our Facebook page:
" Prescott Area Iris Society (PAIS) "

Upload photos of your garden and iris blooms, relate interesting stories of your iris 'adventures', ask questions, etc.
